## **Brief about the activities of Alexandria for Engineering Works Co.**

- Alexandria for Engineering Works Co. was established in 1994 and began practicing contracting activity in the implementation of multiple projects.
- For 28 years, the company has specialized and excelled in the field of electromechanical and electronic works for facilities, factories and public buildings, classified as a first class in the Egyptian Federation for construction & building contractors of light current network works.
- In conjunction with this field, the company was characterized by the implementation of projects in the field of electrical, water, gas and diesel power generation, transmission and distribution plants, as well as a first category in the field.
- Also, during the march of hard work during this period, the company was distinguished and gained experience in various fields and various categories, including integrated building works / metal construction / road works, corridors and airstrips / bridges and railway works / water and sewage feeding stations and networks / gas and fuel stations and networks / irrigation and public works stations.
- Over this period until now, the company has implemented and successfully closed more than (100) projects, which led to the company gaining a serious good reputation and confidence to develop the business with the highest degree of professionalism, outstanding high quality and commitment to the highest quality and workmanship in accordance with codes, codes and according to customary industrial principles .
- The company deals with the largest consulting offices and the company has distinguished consultants, team and technicians staff that have high experience in the field and implementation of works with the highest quality, mastery and the least period.

## VISION & MISSION

### **Vision:**

Our Vision is to be a highly successful Electrical Sustainable integrated company in electric energy sector and to provide wide range of services in the field of power generation, transmission, distribution, renewable energy, water plant and Treatment Station in Egypt and all over around the world .

Providing to our Egypt the Sustainable Power Energy.

Achieving Partnerships with major international companies to achieve the exchange of experiences.

### **Mission:**

Our Mission is to deeply recognize the needs of our Customers who are constantly searching for the latest technologies and new ways of thinking to make the best project decision. We continuously develop our knowledge and expertise and apply them in helping our Customers in their business activities however our Customers are government agencies or private agencies.

Providing the best Integrated Engineering Solutions for Infrastructure Projects, Substations, Generation stations Using The green innovation mentality with Distinctive Technical Expertise and Associated with many Projects that the Company has Implemented.

## An Egyptian-Emirati alliance aims to control Construction, water and energy projects in the Middle East and Africa

رق: كتب : محمد الزيني 15 ديسمبر 2022

The signing of these protocols came at the headquarters of the Emirati Group in the Emirate of Dubai, in the presence of His Highness Sheikh Mohammed Ahmed Ramadan, Chairman of the Holding Company for the Emirati ARJ Group of Companies. And Mr. Dr. Nader Al-Mahmoud, General Manager, ARJ - USA And both Eng. Mohamed Ahmed Badran, Chairman of the Board of Directors of Alexandria For Engineering Works Company, and Eng. Yasser Zakaria, Executive Director and Director of International Business Development, at the group's headquarters in the Emirate of Dubai

His Excellency Sheikh Mohamed Ahmed Ramadan expressed his great welcome to cooperate with the major Egyptian companies in order to create a giant investment entity with high capacity that would be harnessed to serve development and investment projects in various fields of energy, water and construction according to the requirements of the markets, whether in the Arab Republic of Egypt or the United Arab Emirates, and the alliance would be the nucleus for expansion Also in the Kingdom of Saudi Arabia, the Sultanate of Oman, the Gulf Cooperation Council countries and African countries. Ramadan emphasized Egypt's standing with him and that he always follows in the footsteps of His Highness Sheikh Zayed bin Sultan, may God have mercy on him, who recommended Egypt and its people well

Dr. Nader Al-Mahmoud also stressed the determination of the Emirati group to have a strong presence in the Egyptian market, given that Egypt has an important position on the investment map now and in the future. For his part, Engineer Mohamed Ahmed Badran, Chairman of the Board of Directors of the Alexandria For Engineering Works Company, stressed the strength of the relations that bind the two countries, which is reflected in the good investment in various fields in light of the openness in the fields of water, energy and construction projects in Egypt in shade of the country's plan for development and development under the directives of President Abdel Fattah El Sisi, who built the new republic

For his part, Eng. Yasser Zakaria, CEO, revealed that steps have been taken to establish a company in the UAE, and that this alliance will be the nucleus for joint expansion in Egypt, the Middle East and Africa

It is worth noting that the Emirati ARJ Group consists of 49 companies. The group covers all sectors of building, construction and investment. It has partnerships with many local and foreign banks and trades in securities on the stock exchange. It is also considered one of the largest international companies and has a presence in more than 36 countries with a capital of more than three billion US Dollars

## An Egyptian-Emirati alliance aims to maximize partnership in water and energy projects in the Middle East and Africa

12-15-2022 | 14:13

An Egyptian-Emirati alliance aims to maximize partnership in water and energy projects in the Middle East and Africa

The Emirati Holding Company ARJ has signed several cooperation agreements with Alexandria Engineering Works Company, which specializes in integrated and electromechanical works in Egypt and the Middle East, in order to expand and increase access to major water, energy and construction projects in the Middle East, the Gulf Cooperation Council and Africa, within the framework of joint cooperation between Egyptian companies, and the UAE to build strategic alliances.

The signing of these protocols came at the headquarters of the Emirati Group in the Emirate of Dubai, in the presence of His Highness Sheikh Mohammed Ahmed Ramadan, Chairman of the Holding Company for the UAE ARJ Group of Companies, Mr. Dr. Nader Al Mahmoud, General Manager of ARJ – USA, and each of Eng. Developing international business at the group's headquarters in the Emirate of Dubai.

His Excellency Sheikh Mohamed Ahmed Ramadan expressed his great welcome to cooperate with the major Egyptian companies in order to create a giant investment entity with high capacity that would be harnessed to serve development and investment projects in various fields of energy, water and construction in accordance with the requirements of the markets, whether in the Arab Republic of Egypt or the United Arab Emirates, and the alliance would be the nucleus for expansion, also in the Kingdom of Saudi Arabia, the Sultanate of Oman, the Gulf Cooperation Council countries and African countries.

Ramadan emphasized Egypt's status with him and that he always follows in the footsteps of His Highness Sheikh Zayed bin Sultan, may God have mercy on him, who recommended Egypt and its people well.

Dr. Nader Al-Mahmoud also stressed the determination of the Emirati group to have a strong presence in the Egyptian market, given that Egypt has an important position on the investment map now and in the future.

الرئيسية / عام / تحالف مصري إماراتي يستهدف تعظيم الشراكة في مشروعات المياه والطاقة في الشرق الأوسط وإفريقيا

### تحالف مصري إماراتي يستهدف تعظيم الشراكة في مشروعات المياه والطاقة في الشرق الأوسط وإفريقيا

15 ديسمبر، 2022

وقعت الشركة الإماراتية القابضة ARJ عدة اتفاقيات تعاون مع شركة الإسكندرية للأعمال الهندسية المتخصصة في الأعمال المتكاملة والكهروميكانيكية في مصر والشرق الأوسط من أجل التوسع وزيادة فرص الحصول على كبرى مشروعات المياه والطاقة والبناء بمنطقة الشرق الأوسط ومجلس التعاون الخليجي وإفريقيا، وذلك في إطار التعاون المشترك بين الشركات المصرية والإماراتية لبناء تحالفات استراتيجية.

جاء توقيع هذه البروتوكولات بمقر المجموعة الإماراتية بإمارة دبي بحضور سمو الشيخ محمد أحمد رمضان رئيس الشركة القابضة لمجموعة شركات ARJ الإماراتية والسيد الدكتور نادر المحمود المدير العام ARJ – USA وكلا من المهندس محمد أحمد بدران رئيس مجلس إدارة شركة الإسكندرية للأعمال الهندسية والمهندس ياسر زكريا المدير التنفيذي ومدير تطوير الأعمال الدولية بمقر المجموعة في إمارة دبي.

أعرب سعادة الشيخ محمد أحمد رمضان عن ترحيبه الكبير بالتعاون مع الشركات المصرية الكبرى من أجل خلق كيان استثماري عملاق ذو قدرة عالية يُسخر لخدمة مشاريع التنمية والاستثمار في مختلف مجالات الطاقة والمياه والبناء طبقاً لمطابيات الأسواق سواء في جمهورية مصر العربية أو الإمارات العربية المتحدة ويكون التحالف نواة للتوسع أيضاً بالملكيتة العربية السعودية وسنطنة عمان ودول مجلس التعاون الخليجي والدول الإفريقيه.

وأكد رمضان على مكانة مصر لديه وأنه دائماً يسير على خطى معالي سمو الشيخ زايد بن سلطان رحمه الله عليه الذي أوصى بمصر وشعبه خيراً.

كما شدد الدكتور نادر المحمود على عزم المجموعة الإماراتية التواجد بشكل قوي في السوق المصري لما لمصر من مكانة مهمة على الخريطة الاستثمارية الآن وفي المستقبل.

ومن جانبه أكد المهندس محمد أحمد بدران رئيس مجلس إدارة شركة الإسكندرية للأعمال الهندسية عن قوة العلاقات التي تربط الدولتين بما ينعكس على الإستثمار الجيد في شتى المجالات في ظل الإنفتاح في مجالات مشروعات المياه والطاقة والبناء في مصر في ظل خطة الدولة للتطوير والتنمية بتوصيات سادة الرئيس عبد الفتاح السيسي باني الجمهورية الجديدة.

من جانبه كشف المهندس ياسر زكريا المدير التنفيذي عن البدء في إتخاذ خطوات لتأسيس شركة بجدولة الإمارات وأن هذا التحالف سيكون نواة للتوسع المشترك بمصر والشرق الأوسط وإفريقيا.

جدير بالذكر أن مجموعة ARJ الإماراتية تتكون من 49 شركة وتغطي المجموعة كافة قطاعات البناء والتشييد والإستثمار ولها شراكات مع العديد من البنوك المحليه والأجنبيه وتداول الأوراق الماليه في البورصة كما تعد من كبريات الشركات العالميه ولها تواجد بأكثر من 36 دولة برأس مال يزيد عن ثلاثة مليارات دولار.
